Чрезвычайному и Полномочному Послу Российской Федерации в США

10 июня 2009 г.

Уважаемый Юрий Яковлевич:

Мы, нижеподписавшиеся 1091 человек, присоединяемся к Human Rights First и пишем Вам с целью выразить беспокойство по поводу судебного разбирательства по делу Юрия Самодурова, директора музея Сахарова в Москве, и Андрея Ерофеева, бывшего куратора Государственной Третьяковской галереи, обвиняемых в разжигании национальной, расовой и религиозной вражды за организацию выставки «Запретное Искусство—2006». Нас также волнует то обстоятельство, что председательствующий судья предпочёл вести заседание в закрытом режиме, тем самым ставя под угрозу прозрачность и независимость судебного решения.

Тринадцатого мая 2008 г. Самодурову и Ерофееву, смещённому со своего поста куратора Третьяковской галереи, были предъявлены обвинения по статье 282 (2)(б) Уголовного кодекса РФ (разжигание национальной и религиозной вражды) за организацию выставки «Запретное Искусство». Другие музеи отказались выставлять работы этой выставки, цель которой заключалась в изучении «характера и тенденций институциональной цензуры в области культуры».

Процесс против организаторов выставки начался в июне 2007 года с публичного обличения православными группами выставочных работ как антихристианских, антиправославных и антирусских. В 2005 году в похожей ситуации, осуждённой российскими и международными правозащитными организациями, Юрий Самодуров был признан виновным в разжигании межнациональной розни за организацию выставки «Осторожно, религия!», на которой были представлены носящие пародийный характер картины и другие произведения искусства,

исследующие пересечение религии с коммерческими интересами, политикой и массовой культурой.

Мы обеспокоены тем, что при вынесении обвинительного приговора по этому делу российские власти нарушают обязательства и гарантии по выполнению российских и международных законов о свободе самовыражения. Вместо того чтобы расследовать и наказывать нарушителей, уличенных в совершении преступлений ненависти, суды слишком часто используют обвинения в экстремизме против правозащитников и критиков правительства. Мы призываем Генеральную прокуратуру Российской Федерации отклонить обвинения, выдвинутые против Самодурова и Ерофеева, и закрыть это дело на основании отсутствия состава преступления.

Благодарим Вас за внимание к этому неотложному вопросу. Мы будем продолжать пристально наблюдать за развитием данной ситуации.
