## OUR IMPACT

“Human Rights First is a premier institution devoted to the noblest of all causes. ” — *Senator John McCain (R-AZ)*

*We fought to save the Special Immigrant Visa program, a lifeline for Afghans under threat from the Taliban because of their work with the U.S. military, and we won.*

Protecting our Allies

*With military leaders we successfully blocked the Trump Administration's attempt to reopen black sites and revive the torture program.*

Keeping the Door Closed on Torture
